

Harmony of colors  
into living spaces...

## The harmony of quality and elegance...

Linnera Life, which gives your living spaces an aesthetic  
and innovative look, brings you accessible elegance.

PEARL WHITE

## Radiance from the heart of nature...

Let the pearl white complete the harmony of your home with its proud and charming stance, and let your living spaces shine with elegance.

GRANITE GRAY

## The timeless touch...

Discover the beauties that reflect the spirit of time with Linnera Life.  
Bring the timeless touch of exclusive designs to your life.

NIGHT BLACK

Deep and black...

Noble with its classic stance, elegant and charming with its texture, Linnera Life brings you together with the most privileged form of black.

ANTHRACITE

METALLIC WHITE

Add **color** to your life...

Offering a modern style with its different design,  
Linnera Life is compatible with all colors of life.

SILVER

BRONZE

Modern solutions  
for modern need...

## Time-saving ease of assembly...

In the Linnera Life series, products are offered separately as **mechanism + switch / cover + frame** in order to make combinations suitable for decorations.

**Easy Frame Removal**

The special removal gap on the edge of the frame allows for disassembly without damaging the product and the wall.

**Robust Metal Frame**

The galvanized stainless metal frame offers long-lasting and safe use.

**Spring Claw**

The practical retracting spring allows easy assembly and disassembly.

Frames and Surface Mounting Boxes

## Special for angular line lovers

Linnera

Linnera shows up with distinctive corners. It displays its claim with a modern line on switches and sockets. Linnera is designed for the ones who give priority to angular lines in decorations.

Colors are elegant,  
corners are very clear...

White

Beige

Linnera does not leave the ones in dilemma when deciding and draws the boundaries very clearly in the decorations. Offered in cream and white color options, Linnera calls out those who are looking for a modern and new form apart from the known. Offering the possibility of meeting all needs with the wide range of products, Linnera satisfies expectations at every point with its quality, technology and safe use.

Living spaces with dimmers offered in compliance with lighting requirements, TV and telephone sockets in Linnera series meet both comfort and energy saving.

## Minimal elegance

karre

Karre, a highly special series that comes into prominence... It fills a huge gap in the decoration or changes the whole view of living spaces with a delicate touch. With Karre series, design, technology and quality turn into happiness for everyone.

# Modern design and all time colors

White

Complementing the beauty of living spaces with a single touch, Karre makes elegance a part of life with its hard-edged minimalist design.

Beige

Karre switch and socket series with white and beige color options offer alternative solutions for different usage areas with its two-gang, three-gang, four-gang, five-gang, six-gang horizontal and vertical frames.

Karre with its sharp lines, modern form, simple but attractive stance redefines literal beauty with its white and cream color alternatives. Karre which is the key of chic places reflects its strong design everywhere with its wide product range including switches, sockets and thermostat options.
