# Panasonic LED Tube T8

9W - 18W

Panasonic LED Tube T8 facilitates transition to modern LED lighting products with insert-remove concept.

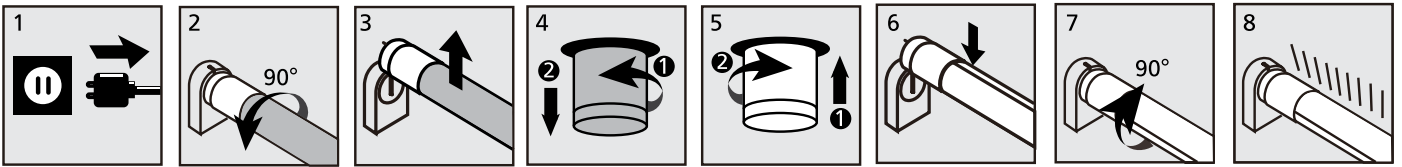

Panasonic LED T8 that is suitable for use in many areas such as hospital, school and workplaces provides an excellent lighting experience in all indoor environments.

When offering an environmentally-friendly lighting solution with its long life and energy-saving features, Panasonic LED Tube provides easy use with single-sided energy supply and makes connection more practical. Additionally, it also ensures safe use thanks to its short-circuit protected structure.

## Product Features:

- Easy installation
- Retro structure

## Installation:

Product Code	Product Description	Power (W)	Operating Voltage (V)	Color Rendering Index (Ra)	Color Temperature	Luminous Flux (lm)	Efficiency Factor (lm/W)	Energy Class	Product Size (mm)	Quantity in Box
